### JP ALOE VERA HEAT LOTION

JP ALOE HEAT LOTION is a deep-penetrating lotion for massage and sport.

Easy to spread and quickly absorbed. Simply massage in to relieve sore, stiff muscles and joints.

The high content of [ACTIValoe®](#) (70%) along with eucalyptus, menthol, camphor and Spanish pepper is deeply warming, with a relaxing effect. The combination of the active ingredients means plenty of effect with a lovely aroma, making it possible to use JP ALOE VERA HEAT LOTION even if you're, just afterwards, among other people.

JP ALOE HEAT LOTION is perfume free and as we do not use animal ingredients, it is vegan.

The JP ALOE HEAT LOTION is suitable for all persons (except children under 3 years)

### APPLICATION

JP ALOE VERA GEL is applied as massage directly to the sore, stiff muscles and joints.

The best extra heat effect is achieved by taking a hot bath, sauna or lying under a warm duvet just after application. Adding an extra layer once the first has been absorbed will also boost the effect.

This Heat Lotion is also ideal for keeping your feet warm during a winter hike or when skiing. If your feet are cold when you get home, applying heat lotion and then putting a pair of thick socks on is sheer heaven.

### IMPORTANT

Due to the strong effect of the essential oils of camphor and eucalyptus contained, this product should not be used in children under 3 years. Asthmatics should take special care, as the essential oils here can occasionally lead to airway constriction.

Do not use on the face, irritated skin, lips and mucous membranes. The product should be used only on intact skin and not with envelopes.

Avoid contact with the eyes!

### INGREDIENTS

70% organic Aloe Vera (ACTIValoe® with minimum 10% Acemannan), Eucalyptus, Menthol, Camphor, Spanish pepper.

### CONTAINMENT

150 ml / 5.07 oz / 0.16 QT
