

DATA SHEET

POWER PURPOSE

Ready to use, all purpose cleaner

POWER PURPOSE is an effective, green cleaning solution for all of your cleaning needs, from the kitchen to the bath and everything in between. POWER PURPOSE disinfects and cleans without causing damage to delicate or painted surfaces. This environmentally friendly combination of active ingredients powerfully dissolves stubborn dirt and can be used indoors and outdoors. When used in combination with the JP Spray Bottle, applying this powerful product is quick and easy.

DOSAGE & APPLICATION

Simply spray on the surface and allow it to sit for 1-5 minutes.

POWER PURPOSE will remove grease, oil, or any organic mess you may encounter.

Simply wipe away with a JP microfiber cloth. If necessary rinse with water for a clean streak free clean. May be used on all cleanable surfaces, such as bicycles, cars, motorcycles, garden furniture, pool equipment, workshop floors, shoes, and much more.

INGREDIENTS
