

## DATA SHEET

### FLOORMOP POLISH

- Soft microfiber with a honeycomb structure
- For smooth and shiny floor surfaces
- 3 in 1 functionality

Microfiber floor cloth for JP's MULTI HERO cleaning system.

### PRODUCT FEATURES

FLOORMOP POLISH is made from a soft microfiber with a honeycomb structure. It is perfect for cleaning, drying, and polishing smooth and glossy floor surfaces in one step. FLOORMOP POLISH is also optimal for tall windows, giving you a streak-free shine without lint or dust.

This floor fiber is slightly larger than the base plate of the cleaning system, protecting delicate surfaces from scratches caused by the main body of the MULTI HERO system.

### APPLICATION

Use damp on water-resistant surfaces and dry on waxed or oiled surfaces.

### IMPORTANT

Please always follow the manufacturer's instructions for your cleaning possessions. Do not use on sharp-edged tiles or on wide, deep joints.

### APPLICATION EXAMPLE

- All smooth floor surfaces
- Tall windows or mirrors
- Skylights or mirrored ceilings

### CLEANING INSTRUCTIONS

Follow the washing recommendations on the fibers washing label. Max. 60 °C [washing machine].

Wash in washing bag without adding other textiles. This protects the fibers and prevents lint from sticking.

JOIN THE PARTY.
